Fireworks CS3 Essential Training - 02NYL591 - lynda.com

Product Description

Time

Fireworks CS3 Essential Training

Approximately 7 Hours 30 Minutes

Fireworks CS3 Essential Training is all about using each tool in this tremendously powerful application to its full potential to make amazing web graphics. From understanding the interface to importing Photoshop and Illustrator files, from formatting text to editing and optimizing images, instructor Tom Green covers all the skills needed to best create and edit all kinds of web-based graphics.

lynda.com

Note: Exercise files accompany the training.

Tom Green
