After Effects CS3 Effects - 02NYL699 - lynda.com

Product Description

Time

After Effects CS3 Effects

Approximately 11 Hours 45 Minutes

In After Effects CS3 Effects, Adobe Certified Instructor [Chad Perkins](#) explores the basic purposes and practical uses of each of the application's effects. He teaches in detail how to apply every native effect, covering 3D channel effects, blur & sharpen effects, using channels for blending and reflections, colour correction, distortion, particle systems, and keying. This training is essential for those who want to push After Effects CS3 to its limits.
